

**Physician Replaces Prescription Drugs  
With Natural Mangosteen Extract**  
J. Fredric Templeman, M.D.

**I use Mangosteen extract as a first-line therapy in the following conditions:**

Gastro-esophageal reflux disease  
Acid dyspepsia or gastritis  
Hiatal hernia  
Arthritis  
Fibromyalgia  
Fatigue or low energy states  
Mild depression or dysthymia  
Mild to moderate anxiety states

Mild to moderate asthma  
Irritable bowel disease  
Recurrent urinary tract infection  
Diverticulitis  
Allergic rhinitis  
Eczema  
Seborrhea  
Non-arthritis muscle or joint pain

**I use Mangosteen extract as an adjunctive therapy in the following conditions**

Rheumatic or connective tissue diseases  
Degenerative disc disease  
Chronic pain syndrome  
Peripheral neuropathy  
Migraine headache  
Stomach and duodenal ulcers  
Diabetes  
Cystic Fibrosis  
Moderate to severe depression

Ulcerative Colitis and Crohn's disease  
Cancer  
Cardiovascular disease and hypertension  
Post-menopausal mood disorder and PMS  
Viral infections  
Bacteria infections  
Fungal infections  
Hemorrhoids  
Psoriasis  
Severe allergic reaction

**In my opinion, the Mangosteen extract equals or outperforms the following  
prescription drugs and over-the-counter drugs:**

Nexium, Prevacid, Aciphex  
Zantac, Pepcid, other H2 blockers  
Allegra, Zyrtec, Claritin, other antihistamines  
Singulair  
Prednisone  
Lotrisone, Topicort, Cutivate, other topical  
corticosteroids  
Valium, Xanax, other minor tranquilizers  
Tegretol, Neurontin, other anti-epileptic drugs  
Anusol, other hemorrhoid preparations

Prozac, Zolort, Paxil, Lexapro, other anti-depressants  
Vicodin, Percocet, Duragesic patches, other narcotics  
Celebrex, Vioxx, Bextra, Naproxen, Arthrotec,  
Ibuprofen, other anti-inflammatories  
Ultram, Talwin, other non-opioid pain preparations  
Midrin, Fioricet, Imitrex, Amerge, Maxalt, Zomig,  
other migraine preparations  
Lipitor, Zocor, Pravacol, other lipid-lowering agents  
Valtrex  
Aricept, Cognex, other Alzheimer's preparations
