Cindy Samuelson, Premier Select

Fax: (480) 460-1451

Email: cindysam@aol.com

Bio: Cindy was a Filipina immigrant, raised in poverty. Cindy has been involved in network marketing since 1983. Her dream was to be a stay-at-home-wife-and-mother who earned a fortune caring for people she loved. Dreams come true. Without ever having held a 'real' job, Cindy raised her children and is a multi-million dollar income earner. She did so while working her business around her family, instead of the other way around. Believing XanGo didn't have staying power, she resisted the company for three years. Joining the team in 2006, she now feels her entire career was designed to prepare her to lead her XanGo organization. Her GoWILDTeam is currently a dynamic 14,000 members strong (Spring 2008). Cindy has helped create over 40 Millionaires through this industry and helped tens of thousands earn significant money working from home. She has a passion for helping women, and authored "The Perfect Business for Women over 50".

Bio: Bob Schmidt's passing was a major loss to the entire network marketing industry, however, his legacy lives on with his timeless trainings and with the students that continue to study and apply them. A 38 year veteran in network marketing, Bob is responsible for moving over \$2 Billion of volume and has been referred to as the "Tiger Woods" of the network marketing industry. We strongly encourage our Team to listen to & study ANYTHING by Bob Schmidt.

With XanGo, Bob & Barbara have built a business doing over \$90 million in annual volume! They have over 200,000 distributors in over 20 countries. Barbara too is a veteran of our industry. Barbara is passionate about helping people, and especially helping other women. She has become a statistic twice, having become a divorced single Mom of two, and more recently becoming widowed. She uses her powerful story to help others create a plan B, and prevent from needing to become "just another statistic".

In their first venture they built an organization of more than 100,000 people within the first thirty six months. Now they have a team of over 500,000 distributors generating in excess of \$150 Million in annual

sales! Sherman currently holds the honor being the highest paid distributor in XanGo. Quick note, I have been amazed at Sherman's professionalism – his eagerness to help even the new distributor, and his quickness to return a voicemail or email. His Story: <http://www.youtube.com/watch?v=eufYkgZJSEc>

Bio: Born in the Philippines (he speaks fluent Tagalog still). Given the choice to become a priest or doctor, Dr. DeGuzman became a surgeon and moved to the United States. He got involved in competitive cycling. In 1989, 17 years into his surgical practice, he was in a race, racing at 50 miles per hour when a car came in front of him and he crashed. He had traumatic injuries and due to his not being able to work, his income stopped; but his overhead continued. After working for 31 years as surgeon, he had no residual income, and was dealing with crippling arthritis and serious pain due to his accident. He was introduced to XanGo; in 2 weeks time he was off his medication with no pain. In November 2002, he introduced it to others. In one year he duplicated his income as a surgeon. He now enjoys a 7-figured residual income, and has since retired from his surgical practice and focuses his efforts on helping others achieve financial freedom.

Geraldine and Scott Strub, 200K Premier Select

Location: Orange County, California

Work: (775) 852-1932

Cell: (949) 289-5128

Fax: (775) 201-2161

Email: GeraldineStrub@charter.net

Bio: Geraldine started in this industry living in a storage unit in Mexico City. She built her multi-million dollar business doing 3-way calls and home parties and pushing that business to large meetings. She met Scott in Madrid Spain in 1992 and within a few weeks they were engaged and married. Unfortunately she had a miscarriage every time she got pregnant for the next 10 years. After 4 months on XanGo, she got pregnant for the last time and had her beautiful daughter Ashley at 42. Prior to building her XanGo business she was the Latin Division manager for a 24 year old very large MLM Skin care company. Scott was a very successful Mortgage Loan Officer. His health was very bad with high blood pressure & cholesterol, migraines on a regular basis and such bad arthritis in his knees, neck and back that he had to hold the railing to get up & down a staircase. By the end of a month of heavy use of the product, he had a "night and day" improvement in his health. He started his business with XanGo talking to every customer, loan officer and Realtor that he came across while doing over 10 loans a month and working 80+ hour weeks. After 3 years their residual income with XanGo was double their full time jobs while working about 25% of the hours. Geraldine is a GREAT resource for Spanish speaking prospects and distributors.

Their Story: <http://www.youtube.com/watch?v=Id6hE3LD2-g>

Bio: Ed owned and operated 5 pharmacies in the Arizona area. Sandi started and built a multi-million dollar medical supply company. They were living the American dream with a lifestyle most people only dream of. They had the 10,000 sq. ft. house, limousine, Rolls Royce, English Butler. They also had the risk, and liabilities of business owners. They sold their business to a group of investors who defaulted. After 8 years of litigation, they spent Thanksgiving eating hotdogs and beans because that was all they could afford. With XanGo, they have been able to get their lifestyle the previously enjoyed back. They have built a business now generating over ¼ of a Billion dollars and earning a 7-figure residual income. They now have P.O.M. (Peace Of Mind) and spend their time helping others design THEIR own lifestyles.

Dwayne and Melody Dyer, 200K Premier Select

Location: Salt Lake City, Utah

Office: (801) 310-6762

Email: dwaynedyer@dwaynedyer.com

Bio: Dwayne is the FIRST XanGo distributor. He is the one that Joe, Gordon and Aaron called to get the whole thing rolling. We are all in his downline - the whole company is in his downline! Dwayne has an extensive experience on both

the corporate and distributor levels within network marketing. Dwayne had a great corporate job with a \$200K+ salary and many perks and benefits - including corporate house, and corporate cars (Mercedes) as an executive for Shaklee. He dropped that job to become a XanGo distributor with no traditional benefits and no guaranteed income. Since he has built a 7-figure residual income - but is still very reachable.
